

# A TRUMPETER'S PRAYER

## Trumpet Solo or Soli with Band

### Doug Hartzell

#### *about the composition*

A TRUMPETER'S PRAYER is a melodic program piece that will aid young trumpeters in understanding the legato style of tonguing. "Soft tonguing" should be used throughout the composition.

#### *rehearsal and performance suggestions*

Follow the dynamics carefully remembering to keep the accompaniment at a level that will allow the soloist(s) to be heard.

At measure 14 do not let the lower instruments overpower the middle and high woodwinds.
