

Jingle Bells Boogie

James Pierpont

Arranged by Ryan Meeboer

Jingle Bells is arranged in the style of rockabilly artists such as Bill Haley and the Comets and Elvis Presley. The tuba carries the traditional boogie bass line throughout the chart, as the trumpet 2, horn and trombone perform popular rhythms played by the guitar in this style of music.

While this chart is meant to be played loud and with lots of energy, it is important that the melody is always heard above all. From m41-58, trumpets 1 and 2 emulate a guitar solo, so performers can feel free to add scoops to sound more like a guitar pitch bend.
