Shorthand Relative Harmonic Minor Scale—Key of E

The good thing about recording yourself practicing is that the recording doesn't lie.

Thirds w/directions spelled out

Fourths (4 directions)

Fifths (4 directions)

Sixths (4 directions)

Sevenths (4 directions)

Arpeggios in Triads (4 directions)

Arpeggios to the Seventh (4 directions)

Shorthand Whole Tone Scale—Key of E

The *bad* thing about recording yourself practicing is that the recording doesn't lie.

Thirds w/directions spelled out

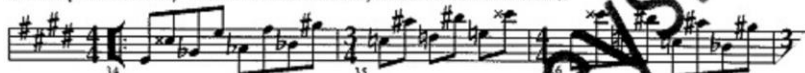

Fourths (4 directions)

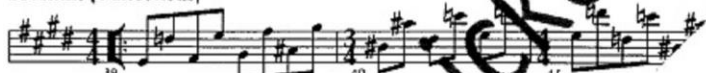

Fifths (4 directions)

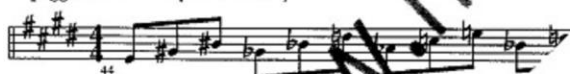

Sixths (4 directions) These are enharmonically correct whole tone sixths.

Sevenths (4 directions) These are sevenths that look like sevenths through the whole tone scale

Arpeggios in Triads (4 directions)

Arpeggios to the "Seventh" (4 directions)
