

Performance notes

These *Twenty Christmas Carols* are a collection of well-known Christmas and holiday songs arranged in a flexible style that can be used for a variety of purposes. Each song is fairly short, but can be repeated as many times through the verses as desired. An optional introduction is notated at the end of every song, which is especially useful when accompanying singers.

Parts are provided in both normal concert size and 5" x 7" flip folder size, for performing these carols on the move.

Songs are arranged in alphabetical order.
